

"The Women's and Children's staff at the Aberdeen appreciate the yearly RCP Perinatal Clinical Review and Debrief. Recommendations provided encourage changes towards current standards which improve patient care. Happy 50th Anniversary!"

The Aberdeen Regional Hospital

"The Women's and Children's staff at the Aberdeen rely on the Rh Program of Nova Scotia guidelines for reference to support optimal practice. Happy 60th Anniversary!"

The Aberdeen Regional Hospital

Well Wishes from Our Colleagues & Partners

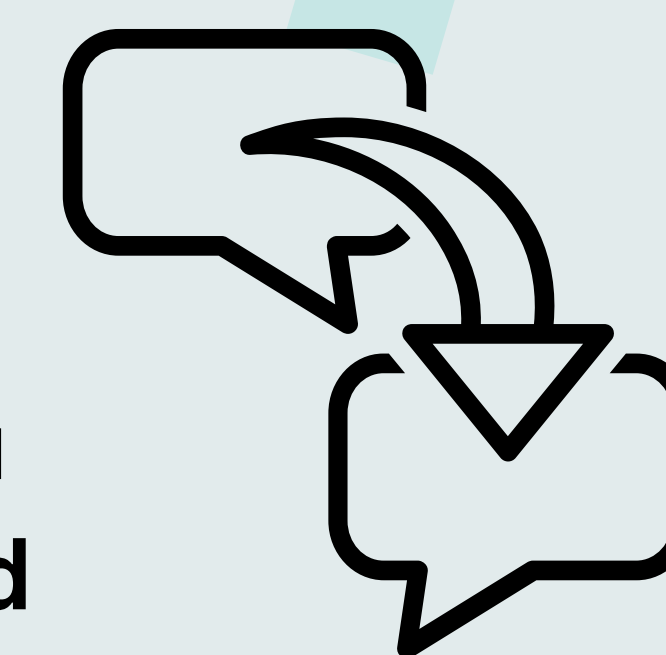

"I am a family medicine obstetrical provider and teacher. I open the RCP website almost daily. It is an excellent resource for providing standardized prenatal and newborn care in Nova Scotia. Every time I teach about prenatal and newborn care, it is the first resource that I share with the learners. I greatly appreciate that the information is evidence based and supports local practices. I read all the newsletters too!"

Dr. Lynn Bussey MD CCFP FCFP

"Congratulations on your 60-year anniversary! And thank you so much for all the help and advice over the years! You and your team are so quick and nimble when you respond to my calls for advice about specific patients. And thank you for diligently finding system issues that affect timely reporting."

Dr. Donna Gilmour, Community Generalist, MD

"I absolutely loved my past times as the "community pediatrician" who was honored to be asked for input from my experience in the community."

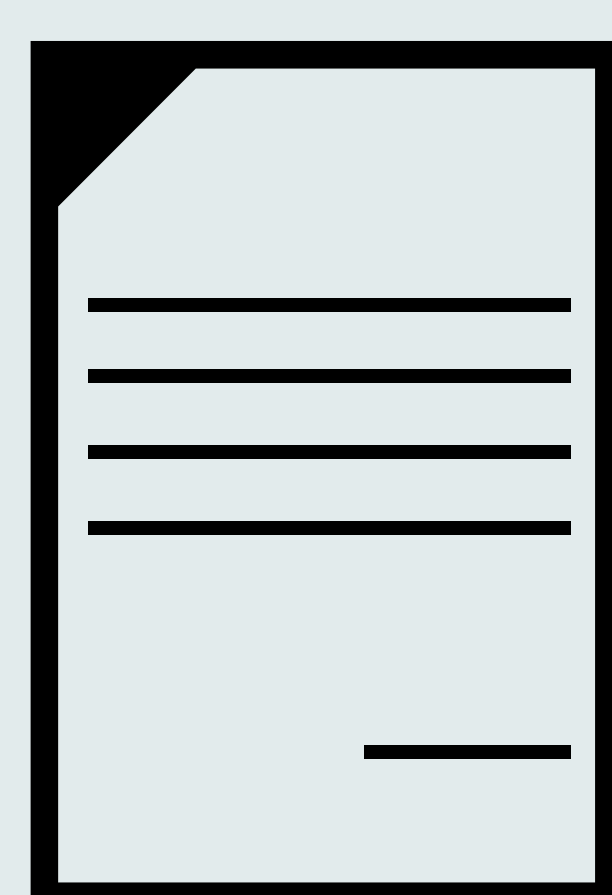

The guidance and expertise that is provided by RCP sets the stage for improving the standards of care that we all aspire to achieve."

Dr. Patricia E. Bolivar, MD FRPC
Consultant Pediatrician

"Marg and the team at the Rh Program of Nova Scotia have been amazing colleagues and provided wonderful contributions to HDFN policy and care in Canada over many years. It's been a pleasure to work with them."

Gwen Clarke MD FRPC,
Transfusion Medicine Consultant

-What does the RCP program mean to you?-

"The Rh program has been so helpful to us in helping us organize fetal blood genotyping by cfDNA -the team there made the process so easy and seamless and efficient. I really appreciated the care, helpfulness, and timely follow-up from the team! Thank you!"

Dr. Naila Ramji

"Congratulations to the Rh Program of Nova Scotia on 60 years of exceptional service! It was an honor to work with such a dedicated team whose expertise in maternofetal care significantly enhanced patient outcomes for pregnant individuals with alloantibodies, ensuring healthier futures for countless families."

Jennifer Duncan, MLT, BSc, MD, MEd (HSE), FRPC
