How to book your Rh immune globulin (RhIg) appointment

- Call your local facility *two (2) weeks in advance* to book an appointment for your RhIg injection (*see back of this page for contact numbers*).
- Book your lab appointment prior to receiving injection at <https://booking.nshealth.ca>
- Be sure to bring all your forms to the appointment
- If you have further questions, please call the Rh Program at 902-470-6458
